Enrichment Activities
2015**

	<p style="text-align: center;">Happy Feet Soccer (Ages 2 ½ - 5)</p> <p>Happy Feet is a professionally developed child fitness soccer program based on 25 years of youth coaching experience. Happy Feet programs are great fun and age-appropriate.</p>
	<p style="text-align: center;">Ballet (Ages 2's, 3's & 4's)</p> <p>Our ballet is a structured program designed for the early development of technical ballet and movement. It precisely meets the needs and limitations of kids by providing a carefully paced sequence of exercises to develop physical conditioning with poise and grace. Children wear proper attire: leotards, tights, and ballet shoes are not required but preferred.</p>
	<p style="text-align: center;">Cooking (Ages 4 & 5)</p> <p>Children will be developing healthy eating habits while practicing Math (measuring, weighing, sharing), Literacy (reading and writing some notes about the recipes), Geography (learning about food and where it comes from). All classes receive special care in offering a variety of tasting different foods and experiencing the attractive composition of the dish, the aesthetics of table setting, the pleasure of sharing meals with friends and the opportunity to encounter the kitchen as a multisensory laboratory.</p>
	<p style="text-align: center;">Karate (Ages 3 & older)</p> <p>We have the number one program designed to teach your child to be more focused, self-confident, disciplined, physically fit and respectful. Each exciting class is action packed with exercises, skill-drills and team challenges, all centered on a powerful life-skill lesson that inspires kids to make the great choices that lead to a successful future.</p>
