## **Hurricane Information**

Hurricane season is here. Please be advised that in the event of a Hurricane warning, if Broward County Schools are closed Kids Academy will also close. We will reopen as soon as it is possible. Please stay tuned to your local news station for updated information. We will keep our families informed with text messages if possible, notes posted on our facility door and a message on our answering machine.

The safety message for every person is the same: prepare, prepare, prepare. It's important that you have the information you need to keep yourself and your family safe.

- Develop a family hurricane plan
- Keep all emergency equipment in good working order. These include emergency power generators, flashlights, radios, batteries, tarps
- Stock up on non-perishable food & water supplies - consider investing in a water system tank
- Keep gardens well maintained with trees and shrubbery trimmed
- Have plywood on hand to protect doors & windows
- Know your community's hurricane safety plan

## **Ballet Recital**

Our Annual Ballet recital was a success!

Parents and families came to watch the ballerinas dance & they danced beautifully.

We have one more ballet recital on June 5<sup>th</sup> at 4:30.

## Teacher Appreciation Week

We want to thank all of our parents for all the special gifts and cards of appreciation. Thank you to the Cristea Family and the McGlynn Family for the thoughtful and delicious breakfasts that were delivered for the staff.

## Registration

The registration is now open for the next school year (2018-2019). Beginning April 1<sup>st</sup> registration became open to the community. Many of our classrooms have limited space available. Please register your child to ensure his/her enrollment place for the 2018-19 school year. Registration is due now.

## Gardens

**Planting Flowers:** The children have harvested the last of our vegetables and we are now planting summer flowers! We have chosen some hearty sunflowers and other flowers that can withstand the hot Florida sun. The children will continue to water and care for them and wait for them to grow and bloom.

**Butterfly Garden:** We want to thank one of our parent volunteers, Mr. Savino, who has shared his knowledge of plants and his green thumb with us for the past 2 years. Our garden has flourished under his care and we thank him for all his creative ideas and hard work. If you get a chance, please stop by the garden and take a look. Thanks a million, Mr. Savino!
